

## Programs for happier, healthier pets & their families.

Established in 1937, formerly the SPCA of Central Florida.

### ANIMAL SHELTERING & ADOPTION

The decision to relinquish a pet is a difficult one, but we understand that sometimes this is the best option for the pet and the family. Pets that are surrendered to us receive shelter and healthcare as well as daily enrichment/playtime and training when needed. The average length of stay is 8 days for dogs and 21 days for cats, well below state and national averages. This means pets quickly find a new home.

### AFFORDABLE VETERINARY CARE

Pet Alliance of Greater Orlando maintains two outpatient veterinary clinics, plus a state-of-the-art animal hospital on wheels to help keep pets healthy and in their homes. Our clinics are open to anyone in the community. The mobile veterinary clinic visits communities and events throughout the year to make low cost spays and neuters more accessible to pets that need this service.

### EDUCATION AND OUTREACH

Pet Alliance of Greater Orlando serves as the leading community voice for ending pet homelessness in Central Florida. This is done through interagency collaborations with other rescue and animal welfare groups, community outreach, school based education programs and summer camps focused on the humane treatment of animals and responsible pet ownership.

### ANIMEALS ON WHEELS

Pet Alliance of Greater Orlando provides free pet food and veterinary care for low-income seniors. We partner with Seniors First, Meals on Wheels and Osceola Council on Aging to identify seniors in need and Pet Alliance volunteers make deliveries and visits monthly.

### VIRTUAL KITTEN NURSERY

Kittens under 8-weeks of age need special care and nurturing that is difficult to provide in a shelter setting. Through the Virtual Kitten Nursery, Pet Alliance provides volunteer foster parents with the supplies needed to care for kittens in their homes until they are eight weeks old, at which point they have been weaned, fully vaccinated, microchipped, and spayed or neutered, making them ready for adoption.

Pet Alliance of Greater Orlando does not receive any government funding or support from the ASPCA or Humane Society of the United States.

For 80 years, we have worked toward healthier, happier pets and their families to create a stronger community.

**7,138** dogs and cats adopted

**841** pets transferred in from other shelters

**12,284** spay and neuter surgeries performed

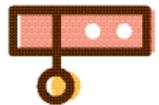

**38,810** pets treated at our affordable clinics

**30,256** people reached by education programs

**72,890** hours served by volunteers

**\$356.50** Pet Alliance cost for every surrendered dog

**\$225.50** Pet Alliance cost for every surrendered cat

### How you can help:

- Make a gift
- Adopt a pet
- Become a volunteer

Pet Alliance Orlando  
2727 Conroy Rd.  
Orlando, FL 32839  
P. 407.351.7722

Pet Alliance Sanford  
2800 County Home Rd.  
Sanford, FL 32773  
P. 407.351.7722
